MOOD:  loved

MUSIC: Duke telling the Cowboy...no, no, I don't believe it.

Not of cvillette's vacation getaway, anyway.

For the awesome and wonderful T. just announced that we're spending our three-day weekend here.
(https://www.livejournal.com/away?to=http%3A//www.bnbfinder.com/Maryland/Chestertown/Bed-and-Breakfast/Listing/18381/Brampton_Bed_and_Breakfast_Inn)

Ahhh, *romance*.

Update: So much for that idea. T. says in her next life she's going to date a sanitation worker. It's above and beyond the call to wait for her next life, I say--if I were her, I'd totally break up with me. Waugh.

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Oooo. Romance!

Fireplaces. *Private hot tubs*. 'Nuff said, baybee. *g*

You, on the other hand, will be dusty, sweaty, grass-stained, and reeking of sunscreen and bug repellent. And bouncing like the Energizer Bunny on speed. Do you plan to sleep at all, or are you going to let that keep until you get back to your desk? *g*

I hear there's a campground. Where you can wander from campfire to campfire listening to people playing music.

What is this "sleep" activity your people engage in?

I have a date on Saturday night to devour many innocent crabs in Baltimore... No, little crabs cannot compete. Sigh.

The notaboy values you, if he is willing to fill your tank with crab.

Blues euphemism!

Eeeuuw. In the not-entirely-euphemistic sense, anyway. (The Girl is a lovely person, but I'd better not end up sharing anything with her besides the Notaboy.)

Eeeep. Blues euphemism for highly selective use only. *g*

Ewww... sea bugs! What kind? Maybe I can make someone else jealous. And... aren't sea bugs a net calorie loss? What with the prying of meat out of it's shell and all.

No, no--crabs are simultaneously food and entertainment! Like a Rubik's cube you can eat! I am a highly efficient predator of sea bugs. NomNomNom.

Also, you can get an order of crabcakes to start. And a side of crab salad.

Bawl'mur is sometimes, ah, *obsessive* about the crab thing. Nom.

[COLLAPSE](#)

Ah, a Rubik's cube you can disassemble! Unarmed predatory approach? Tools are cheating unless you're eating King crab.

(yes, somewhat academic for me, since I don't like seafood much)

Have fun!

Oh! Lucky lucky. I get to spend the weekend watching my baby brother graduate, but a romantic getaway sounds GOOD.

wait. What's Duke telling the Cowboy?

Good for you!

I'm going to set out Friday night and see how far West I get by sunrise on Sunday, then turn around and come

back. Chances are good I'll be able to drop in on Dad and Sal unannounced.

It will not exactly be like old days. I will probably stop to sleep and eat, because I am old.

What was I telling the Cowboy? I missed it.

[May 22 2008, 16:58:05 UTC](#) [COLLAPSE](#)

What was I telling the Cowboy? I missed it.

That wouldn't surprise me at all.

It had something to do with a vintage Bentley in mint condition hidden in a junkyard in Missouri.

 [ace_cub_reportr](#)

[May 22 2008, 17:01:53 UTC](#) [COLLAPSE](#)

British racing green. Right.

 [trollcatz](#)

[May 22 2008, 17:40:44 UTC](#) [COLLAPSE](#)

Oh, COME ON! There was not a word of truth in that one! And what did you say was locked in the boot? I missed that bit; all I saw was the Cowboy facepalm.

 [ace_cub_reportr](#)

[May 22 2008, 20:10:00 UTC](#) [COLLAPSE](#)

Oh, no, it wasn't what was locked in the boot. It was the vintage SS boots in the footlocker.

I believe there is a saying to the effect "You can't bullshit a bullshitter".

snerk We have heard entirely too little from Duke. Here, there, and everywhere.

[May 22 2008, 17:59:06 UTC](#) [COLLAPSE](#)

With age comes wisdom, sweetie. If you don't stop to eat, you miss all the local pie and barbecue.

[May 22 2008, 18:08:35 UTC](#) [COLLAPSE](#)

That sounds really... nice.

sigh Someday the husband & I will actually do a real, romantic, just the two of us with nothing else vacation.

Thank you
